In the tradition of the Cowboy and the ranches of the west there is no higher compliment than being christened the top hand. All Cowboys worth their salt strive to be worthy of such a title. It is not a title given lightly nor one that is awarded to a man that hasn't put in their time. It is a title of honor and respect. While the Cowboy needed to be a man of many skills, including some of the dirtier ground crew work, the highest skill of the Cowboy and the one most respected was the horseman. In all the skills the Top Hand had mastered, it was his skill as horseman that most earned him the title.

In Cowboy Dressage we honor the tradition of the Cowboy and the lifestyle of the West while building partnership and harmony with our horses. We believe that in order to create the ultimate horse we have to be the ultimate partner for that horse. By working to improve communication with the horse through soft feel we aim to create the perfect working partner that is soft and willing and capable and able to take on any job on the ranch or in the arena.

Creating that partnership and relationship with a horse requires a rider that is dedicated to the goal of soft feel. While it takes time to develop true partnership in a horse, a rider that embodies soft feel can cultivate partnership in any horse that he mounts. A true horseman can quickly adapt to communicate with each horse that he comes into contact with. You might say the rider that has embraced the principles of soft feel and partnership in Cowboy Dressage is worthy of being called a Top Hand.

As we in Cowboy Dressage honor the Cowboy we also honor the horseman and no skill in the horseman is as highly valued in Cowboy Dressage as the skill of soft feel and partnership. Do you think you have what it takes to be a Top Hand? Cowboy Dressage World is poised to give you the opportunity to find out.

While the end goal of Cowboy Dressage is not the competition we feel that it is right and fitting to honor the Top Hands out there that have dedicated the time and energy to become worthy of the title. Though we no longer have the ability to prove our worth while riding for the brand each season, we can get together to showcase and honor the work we have done with our horses and recognize the men and women that have made themselves worthy of being deemed Top Hand.

## **Succeed Presentation: Wednesday, November 4, at 4:00 pm – Arena 1**

Join us for a **free** lecture and power point presentation by John Hall and Michael Lindsay of **Succeed-Digestive and Conditioning Program**.

Both John and Michael will discuss and educate on what causes equine ulcers in the horse's stomach and colon. You will find out the why and how of ulcer development. You will learn how to recognize ulcer symptoms and how to treat and prevent ulcers. The percentage of show horses, or stalled horses that have ulcers is higher than you may think. This is an excellent and highly educational presentation. If you want to learn and do the best you can for your horses you will want to be there and listen to this presentation from two men who are tops in their fields.

John and Michael will be testing horses for ulcers for free after the presentation. You will be able to sign up for the testing at the presentation. Both John and Michael plan to return in Nov for our Finals show as a follow up on the tested horses. This is a super opportunity for you folks and your horses.

### Presentation

- Title: The Equine Digestive Tract, and how this affects Appearance, Behavior & Performance
- The horse's digestive system: how it evolved, what it does, and how modern husbandry can adversely affect this.
- What do we see when things go wrong? Examples.
- How can we discern before problems become severe? (FBT)

### Other activities

- Test horses with FBT. Maybe on request but prefer to see horses (perform) and primarily choose specific (needy?) horses.
- Ideally have local vet (for the shows) present also: we do NOT want to be making clinical diagnoses.
- Take video of horses in competition to identify specific issues. Show owner/rider & others if allowed, and especially obtain permission to use these in November.
- (Maybe, provide SUCCEED for a few to be able to show before-and-after.)

Be sure to visit the Succeed Boot while at the show.

Come listen and learn. You will be so glad that you did, so will your horse!

*\*Cross Entering Class Division **IS** allowed – Example: W/J, W/J/L with the exception of Freestyle*

## CALLERS

The rider is encouraged to memorize their tests. The use of a caller is **not mandatory**. Cowboy Dressage World allows the rider to use a caller of their choice, however, the ultimate responsibility for accurate and correct riding of the test falls upon the rider. If the rider chooses to use a caller, it is the rider's responsibility to arrange for one. **Cowboy Dressage World will not be providing callers for riders.**

## **Cowboy Dressage World 2015 Gathering and Finals**

**November 5 – 8, 2015  
Rancho Murieta Equestrian Center  
Rancho Murieta, California**

Awards ceremony to begin approximately one hour after the final ride on Sunday, November 8, 2015.

**A Note About Freestyle:** If you are considering showing any of the freestyles please be mindful: The Cowboy Dressage Freestyle is a showcase of accomplishments between horse and rider through the levels. The horse and rider must be prepared and able to do the Cowboy Dressage maneuvers successfully with grace, finesse, and respect the freestyle deserves. Partnership, Harmony, and Soft Feel are still a priority when scoring the Freestyle. The Freestyle should be fun and entertaining, while still a celebration of our finest horsemanship.

**Use of whips/crops/spurs** – only one whip may be carried during a ride. A crop or standard dressage whip not to exceed 4' in length is allowed. Excessive use of the whip or spurs will be penalized.

**Cowboy Dressage World** reserves the right to excuse anyone from the show for abuse and/or neglect of their animal(s), inappropriate behavior, etc.
