DIVISION DESCRIPTION

Class Division Definition

- Walk/Jog Test Division
- Walk/Jog/Lope Test Division
- Challenge Test Division
- Vaquero/Buckaroo Test Division
- Gaited Test Division
- Partnership Test Division
- Freestyle Test Division
- Liberty Test Division

Rider Status Definition (See Rules and Guidelines for Detailed Definition)

- Open: Rider that is 18 years or older, who makes a living or receives income from training, teaching/lessons or clinics.
- Amateur: Non-professional rider that is 18 years or older.
- Junior: Rider that is 17 years and under. On show grounds, Juniors are not allowed to handle/ride stallions and must wear a helmet when working with a horse at any time (not just while showing).

Age is the age of the rider on January 1 of the current year.

Age of the Horse:

The Cowboy Dressage Horses' age is based on January 1st of that calendar year, regardless of the month foaled. For example - a horse foaled anytime in the year 2010 is considered one-year-old on January 1, 2011 and two years old on January 1, 2012.

REMEMBER

The Cowboy Dressage World Partners want its participants to consider the age and performance level (of both horse and rider) when choosing test levels.

A Note About Gaited Horses: The gaited tests are designed specifically for the gaited horse. Gaited horses are welcome in the non-gaited tests but will be scored a maximum high value of 4.5 if gaiting instead of jogging when requested in the non-gaited test.

A Note About Freestyle: If you are considering showing any of the freestyles, please be mindful: The Cowboy Dressage Freestyle is a showcase of accomplishments between horse and rider through the levels. The horse and rider must be prepared and able to do the Cowboy Dressage maneuvers successfully with grace, finesse, and respect the freestyle deserves. Partnership, Harmony, and Soft Feel are still a priority when scoring the Freestyle. The Freestyle should be fun and entertaining, while still a celebration of our finest horsemanship. For virtual shows the music must be clear and easily heard on videos. Music should probably be played close enough to microphone to be easily heard on video.

Below we have outlined the way to stop WhatsApp automatically downloading ALL media files.

Cowboy Dressage World Virtual Gatherings

To prevent all media files downloading on an iPhone:

1. Launch WhatsApp on your iPhone.
2. Tap the Settings icon (small cog) at the bottom right of the screen.
3. Tap Chat Settings.
4. Swipe the toggle off the Save Incoming Media option so that it is no longer green.

If committing to this seems too much, it is also possible to switch off media downloads from one chat at a time, giving you more flexibility if you do want some images/videos to be saved.

To prevent media files from one chat for an iPhone:

1. Launch WhatsApp on your iPhone.
2. Click on the chat you'd like to stop downloading media files from.
3. Click on the name of person or group from this chat.
4. Scroll to the option Save to Camera Roll.
5. Click 'Never'.

This process will need to be repeated for each contact or group where you want to switch the automatic downloads off.

To prevent all media files downloading on an Android:

Cowboy Dressage World Virtual Gatherings

Preventing WhatsApp automatically downloading ALL media files is slightly different on an Android as it relies on settings involving Wi-Fi and Data, rather than a specific button in the app.

1. Begin by opening WhatsApp and go to the window where chats are shown.
2. Select Settings, the three vertical dots on the top right-hand side.
3. Click on Data and storage usage.
4. Head to Media Auto-Download, where you will encounter three options: When Using Cellular Data, When Connected on Wi-Fi and When Roaming.
5. Disable auto-downloads by unchecking all three options, Images, Audio and Video.

To prevent media files from one chat for Android:

1. Open a chat
2. Tap the three dots in the top right-hand corner
3. Tap "View contact"
4. At the bottom there should be a section called "Media visibility"
5. Choose 'No'.
